

November 5, 2010

Below are anticipated construction activities for the week of 11/7/2010.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. We ask for motorists' patience and caution while driving through construction sites.**

Decatur Township

Storm sewer installation and repairs will occur along High School Road, south of State Road 67.

Street repairs and repaving will occur within Eagle Creek Park.

Lawrence Township

42nd Street east of German Church Road is closed while the bridge over Steele Ditch is reconstructed.

Regrading of a ditch and replacing driveway pipes will occur along Hague Road from Fall Creek Road to 75th Street.

Asphalt milling and road repairs will occur along Village Way from 86th Street to 96th Street.

Perry Township

Hanna Avenue from Madison Avenue to State Street is being completely reconstructed. Lane restrictions will be in force throughout the duration of the project.

Sanitary sewer construction will occur in the Homecroft area, south of Edgewood Avenue between US 31 and Meridian Street.

Sanitary sewer installation continues in the Brill/Troy area.

Pike Township

Paving of Guion Road from 56th Street to 71st Street will occur. Expect lane restrictions during the paving operation.

Expect lane restrictions on Michigan Road between 76th Street and Double Tree Boulevard as the contractor is installing a new pedestrian trail.

Warren Township

Irwin Drive, Ridgeview Drive, Kitley Avenue, and Pasadena Street will be repaved as part of a storm sewer improvement project.

Raymond Street will have lane restrictions over Lick Creek during the bridge rehabilitation. The right-hand lanes for both eastbound and westbound traffic will be closed during this phase.

Washington Township

Sections of curb, sidewalk, and ADA ramps will be replaced along 62nd Street from Binford Boulevard to Allisonville Road.

Sections of curb, sidewalk, and ADA ramps will be replaced from Brewster Road from Township Line Road to Ditch Road.

Utility relocations and clearing along Springwood Trail will occur in preparation for Crooked Creek channel improvements.

Sanitary sewer construction continues with work affecting the following streets:

- Grandview Drive, 52nd Street to Kessler Boulevard
- Knollton Road, 44th Street to 51st Street
- Intersection of Fox Hill Drive and Grandview Drive

Center Township

Eastbound and westbound lanes are restricted to one lane in each direction on the Oliver Avenue Bridge over the White River.

Nelson Avenue from Dietz Street to Boyd Avenue will remain closed for sanitary sewer installation.

Tenth Street and Miley Avenue will remain closed for sanitary sewer construction.

Lafayette Road will continue to be restricted between 16th Street and Cold Springs Road. Northbound and southbound traffic is restricted to one lane in each direction.

19th Street will be closed at the Lafayette Road intersection until January 2011 for sanitary sewer installation.

On Dr. Martin Luther King Jr. Street, between Fall Creek Road and 30th Street, lanes will be restricted as they install special pavement markings and complete concrete work.

Lane restrictions along Merrill Street will be in effect as ADA ramps, curbs, and sidewalks are replaced.

Brick paver spot repairs will occur along Market Street.

Contractors will be milling and repaving the roadway on the following streets. Expect lane closures while construction is taking place and restricted parking during the daytime hours.

- Ohio Street from West Street to Alabama Street (night work)
- New York Street from West Street to College Avenue
- Vermont Street from Meridian Street to Pennsylvania Street
- Oriental Street from Michigan Street to 10th Street
- Michigan Street from West Street to Porto Alegre Street (night work)

In addition to street repaving, contractors will be making repairs to concrete curbs and sidewalks and ADA ramps along the streets listed below. Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities.

- Ohio Street from East Street to College Avenue
- Pennsylvania Street from Washington Street to McCarty Street
- Vermont Street from Meridian Street to Pennsylvania Street
- Illinois Street from Washington Street to McCarty Street
- Kentucky Avenue from McCarty Street to West Street

Georgia Street

Utility relocations are currently ongoing in anticipation of 2011 reconstruction of Georgia Street. Please note businesses on Georgia Street are still open. For more detailed information, please visit the Georgia Street Project web page at www.indy.gov/dpw.

Cultural Trail

Work continues along Capitol Avenue from Washington Street to Maryland Street, replacing curb and preparing the base for the brick pavers. Concrete drives will also be replaced in this area. The section along Alabama Street from Market Street to Washington Street is also being prepared for installation of the brick pavers. Expect lane restrictions during construction in both of these areas.
